

Hochiki Base Sounder/Isolator Cover in White (SI/CAP2)

The Hochiki SI/CAP2 is a protective cap which has been designed for use with the YBO-BS, YBO-BSB2 and YBN-R/3(SCI) when these devices aren't fitted with a sensor. The cap is secured via a twist fit.

KEY FEATURES

- Protects wiring terminals on isolator bases and base sounders/beacons
- Easy twist-fit
