

## Eurotech Slave Base Sounder with White Visual Indicator (100-2017V)

The 100-2017V is an aesthetically pleasing low profile 32 tone audio/visual base sounder with combined white visual indicator, suitable for all devices in the Eurotech range of intelligent detectors.

It offers class-leading acoustic and EN54-23 compliant visual performances with extremely low current consumption. When used in conjunction with an associated intelligent detector the unit can be controlled via the cause and effect programming of a compatible control panel utilising the Argus digital protocol.

The unit has integral DIP switches allowing the independent adjustment of both sounder Volume and Tone settings.
